Columbia, SC 29211

Dear Ms. Boyd:

Pursuant to Commission Order No. 2011-388, Chem-Nuclear Systems (CNS) is submitting the attached monthly report of variable cost data to the Commission. By copy of this letter we are also submitting this report to the Office of Regulatory Staff (ORS).

The enclosed monthly report of variable cost data for covers the month of July 2011. This report is similar in format to information that has been provided to the ORS in support of the ORS audits of CNS' allowable costs. Although no waste shipments were received in July, some variable costs were incurred during the month. The monthly data will be summarized on an annual basis to develop variable cost rates that can be used as one predictor of variable costs.

Sincerely,

James W. Latham
President
